

What: Full training will be provided by CCMC on a special full-day Media Literacy / Community Radio Techniques training workshop. Don't worry if you feel you're not technically equipped – anyone can do radio! During the training, we will present and discuss the newest trends in Citizen Journalism, techniques and opportunities offered by the strategic use of new media, as well as brainstorm on how we (i.e. you!) can bring the community closer to media! This training is conducted within the framework of “Your Voice in Europe” project, supported by the European Commission Representation in Cyprus. Detailed agenda to be announced.

When: Saturday, 7 February 2015, 09:30-16:00.

Where: CCMC Community Space (next to Ledra Palace hotel, opposite Chateau Status restaurant) – [Google Maps](#)

Anyone can apply to join the (free!) training – just RSVP by sending an email to info@cypruscommunitymedia.org

Priority will be given to those applying for a show and to existing MYCYradio producers.
