- Working with the Media
- Media Crisis Management

- Social Media Use and Strategies
- How to... Facebook/Twitter/Google+
- Effective blogging

- Technical Skills and ICT Tools
- Video Production, Editing and Digital Storytelling
- Online Platform Development

VACANCY - Media Training Platform Developer (Internship)

Tuesday, 19 November 2013 15:59

- Communications Trainer's Module
- Information Dissemination: Newsletter Creation and Writing an Effective Press Release
- Strategic Communication and Networking

-
- Attend and participate in all internal m-Com coordination meetings;
- Attend the next m-Com Partners' meeting in Greece (10-11 March 2014) – travel, accommodation and living expenses funded – and for feedback on the pilot testing of the training platform

Applicant Specifications:

Applicants will require excellent working knowledge of Greek or Turkish and English. They should have a strong interest and academic background in the fields of journalism, media and communications, and a propensity for working with, and transferring skills, to others. Through this position, the successful applicant will have the opportunity to increase his/her working experience, knowledge and skills whilst working in a dynamic, professional, multicultural environment, and learn about how community media can support the vision and work of civil society in Cyprus and across Europe.

How to Apply
